Volunteer work camp in Marseille

Video recap.

Thank you for praying for this volunteer work camp from 2 to 16 August 2026. We were joined by four volunteers: a couple from Rottweil, a friend from my church in Schwenningen, and the son of M. Eckstein, director of Liebenzell Mission France. We are heading home uninjured, after making wonderful connections, hearing beautiful testimonies, and creating good memories. Glory to God.

Sharing the project

On 16 August, with the help of J. Lüdemann, I was able to preach and share the project in three Liebenzell churches: Wiesloch, Epfenbach and Angelbachtal. On 23 August, thanks to L. Streeb, I also presented the project in Helmstadt and Berwangen. I want to thank those who were there and who encouraged us so much through pledges of support and prayers.

Moving house

That's it: we have handed back the keys to our flat in Schwenningen. Our boxes are packed and ready to go to Marseille from 1 September.

Perspectives church in St-Just

From September we will work closely with Pastor P. Gabrielli to put into practice the church-planting strategy of Actes 13 Marseille. On 30 September I will have the opportunity to preach for the ICCM, which meets in the Saint-Just premises. I hope this will open up opportunities for ministry and for getting to know people when we welcome the young German volunteers from January to April.

Prayer points

- Pray for our sending service at the evangelical chapel of Mulhouse on 9 August, in the presence of Christoph Hauser, Perspectives director for the Grand-Est region.
- Pray for the Sundays of 16 and 23 August. I am invited to preach and share our project in two churches of the Liebenzeller Gemeinschaftsverband. We pray that sharing the project would stir people who are called to support us.
- Pray for our sending service on 6 September at the Liebenzell church in Schwenningen. For our sending, we will be accompanied by J.-G. Gantenbein and T. Moullion. We rejoice to have this church as our sending church in Germany.
- Pray for our move, which will take place in the first two weeks of September.
